Certifications/Courses

Body Language: Key to Professional Success
NPTEL Skill India / Govt. of India

- **Improved Communication & Presentation Skills:**
  This course helped me understand the importance of non-verbal cues such as eye contact, posture, and facial expressions, which are essential for building trust and confidence during customer interactions.

- **Professional Behavior & Confidence Building:**
  I learned how body language affects professional image and how to project confidence and empathy — two core qualities for handling customer queries effectively.

Front End Development
Simplilearn SkillUp

- **Technical Understanding & Attention to Detail:**
  This course helped me learn the basics of HTML and how websites function, improving my ability to handle tech-related customer issues more efficiently and with accuracy.

- **Analytical Thinking & Problem Solving:**
  Developing front-end structures taught me logical thinking, patience, and step-by-step troubleshooting — skills directly useful in resolving customer queries effectively.
